The Nativity of the Blessed Virgin Mary
September 8

Take a look at the stained glass window in the Cathedral depicting the birth of the Blessed Mother.

It's the one to the left of the Our Lady of Perpetual Help icon.

Did you know that the baby in the picture is Mary and those are her parents, Anne and Joachim? Our Cathedral is dedicated to the Immaculate Conception and all the stained glass windows ("Marian" windows) depict the Virgin Mary's life.

Feast Day of the Exaltation of the Holy Cross

September 14

"We adore You, O Christ, and we praise You, because by Your Holy Cross You have redeemed the World"

Pray for those who are beginning their Confirmation journey
