February is the month dedicated to the Holy Family. Though the start of the Lenten season changes within the calendar year, a fair-sized portion of February gives us a space of time between the Christmas celebrations and the increased focus on Jesus' public life and ministry, which occurs in Lent. It is a transition from the feast of Christmas to the fasting of Lent. Therefore traditionally February has become a time to recall the Holy Family; within the Holy Family is where Jesus spent the time between his birth and embarking on his public journey.

Ash Wednesday

Remember that you are dust,
and to dust you shall return.

*Father, help us to live as the Holy
Family, united in respect and love.*
