Mary of Nazareth is an epic motion picture on the life of the Blessed Mother from her childhood through the Resurrection of Jesus (watch trailer & more at maryfilm.com)

Father Donald Calloway MIC, considered one of the foremost experts on the life of Mary had this to say about the film, “*Mary of Nazareth* offers the best presentation of Our Lady I have ever seen. *Mary of Nazareth* is an absolute theological and Mariological masterpiece! It will make you want to love her more than ever. Mary's beauty is pure and ageless; her feminine mystery filled with wonder and virtue, and her divine motherhood is both tender and captivating. Without a doubt, this is the most stunning portrayal of the Virgin Mary on film!”
